Corps of Engineers Awards Schofield Contract

By Honolulu District Public Affairs

(FORT SHAFTER, HI – NR-05-08) The U.S. Army Corps of Engineers Honolulu District has awarded a contract for \$2.9 million to Biven's Electric Inc. doing business as West Coast Construction, Pearl City, Hawaii for the Fiscal Year 2008 project OMA PN 70219 Repair Overflow Barracks, Bldg. 132 Schofield Barracks, island of Oahu, Hawaii.

The contract was awarded for Task order No.0002 under Multiple Task Order Contract No. W9128A-06-D-0006.

Work consists of repairing HVAC (heating, ventilation, and air conditioning), electrical and communication, to include both voice & data, systems; renovating living modules to accommodate HVAC and communication system upgrades; and providing fire alarm system and fire protection (smoke barriers) as required.

The facility will provide interim living space to support sick and injured soldiers as part of the Warriors in Transition initiative. Performance work period is 365 calendar days.
