Bersson Named District's Deputy Commander for Project Management/Chief, Programs and Project Management

By Dino W. Buchanan, Honolulu District Public Affairs

(FORT SHAFTER, HI – NR 13-06) James L. Bersson was recently named as Honolulu District's new Deputy Commander for Project Management/Chief, Programs and Project Management, filling a vacancy left by the retirement in January of Ray H. Jyo.

Bersson, who has 33 years of federal service, most recently served as Honolulu District's Chief, Engineering and Construction Division.

"He will excel as the DPM, just as he has as Chief of Engineering and Construction Division," said Honolulu District Commander Lt. Col. David E. Anderson of Bersson. "Jim is a proven leader and he has the values, experience and vision to help guide the Honolulu District through the years ahead."
