## **Honolulu District Awards Rockfall Mitigation Contract**

**(FORT SHAFTER, HI – NR 026-07)** The U.S. Army Corps of Engineers Honolulu District awarded contract number W9128A-07-C-0011 for FY07 OMA Pkg A-155, Rockfall Hazard Mitigation, Tripler Army Medical Center July 5, 2007 to Prometheus Construction for \$308,850.

The project was initiated by concerns from Moanalua Valley residents and a subsequent inquiry from Sen. Daniel K. Inouye's office in February 2007.

The contract entails specifically removing five boulders located mainly in the area above 1615 Ala Mahina Place. In late 2005 Prometheus Construction successfully protected rock faces and removed other boulders along the Tripler property line uphill of the Moanalua Valley residences on Ala Aolani Street and Ala Mahina Place.

The new contract has a 93 calendar day performance period with boulder removal scheduled to be complete by the end of October 2007, barring any extenuating weather delays.
