Corps Awards Schofield Design-Build Contract

By Honolulu District Public Affairs

(FORT SHAFTER, HI NR-24-08) The U.S. Army Corps of Engineers Honolulu District recently awarded a design-build contract to Niking Corporation, Pearl City, Hawaii totaling \$3,224,117 for repair and design and construction of Directorate of Logistics (DOL) Building 1180 at Schofield Barracks.

All work is under the Multiple Award Task Order Contract (MATOC) W9128A-04-D-0003 for the FY08 OMA Pkg. A-006, Repair Building 1180 Shop 6, DOL, Schofield Barracks, Hawaii.

Work will proceed in two phases and includes the design and renovation of the existing Building 1180 plus the design and construction of a new gravel parking lot and gravel access way. Building work includes structural repair, new lighting, ventilation, roofing, roll up doors, plumbing fixtures, air conditioning for office space, a fire sprinkler system, interior doors, flooring, panel boards, circuit breakers and receptacles. The performance period is 140 and 365 calendar days for phases one and two respectively.
