## **Honolulu District Awards Fiscal Year-end Contracts Worth \$132.6 Million**

**FOR IMMEDIATE RELEASE  
By Honolulu District Public Affairs**

**October 23, 2009**

**(FORT SHAFTER, HI NR-25-09)** The U.S. Army Corps of Engineers Honolulu District recently completed a successful Fiscal Year-end 2009 (FY09) during which more than \$132.6 million in contracts were awarded, including more than \$41.2 million to small business firms. Altogether, the Honolulu District awarded more than \$195.3 million worth of contract actions during FY09.

Small business 8 (a) contract awards totaled more than \$30.78 million with \$1.4 million awarded to Service Disabled Veteran Owned Small Business (SDVOSB) contractors. During the year-end, Honolulu District awarded three Army Facilities Sustainment, Restoration and Modernization (FSRM) American Recovery & Reinvestment Act (ARRA) projects and two Air Force Facilities Sustainment, Restoration and Modernization ARRA projects.

These contract awards signify the Corps' commitment to provide high quality facilities to the armed forces of the United States; protect and improve the lives of the people of Hawaii and the region; and award contracts which make a positive impact on the local economy. Significant military construction and civil works contracts recently awarded at the end of the FY09 include:
