Honolulu District

KAUNAKAKAI HARBOR MAINTENANCE DREDGING PROJECT

COMMUNITY COLLABORATION WORKSHOP

Date: Tuesday, July 12, 2022 **Time:** 3:00-5:00 p.m.

Venue: OHA Conference Room, Kulana 'Ōiwi Complex

600 Mauna Loa Highway, Kaunakakai, Molokai, HI 96748

Who: Molokai Community Members

What: Community Collaboration Workshop for the Kaunakakai Harbor Maintenance Dredging Project, Molokai, HI

Why: Gather community comments and feedback to help inform the project dredging plan

Project Scope: The Honolulu District, U.S. Army Corps of Engineers will be maintenance dredging the federal limits of the Kaunakakai Harbor on behalf of the State of Hawaii Department of Transportation Harbors Division. The purpose of the maintenance dredging is to remove the sediment (ie. mud) that has accumulated and created high spots, so that vessels may safely enter, exit and maneuver within the harbor.

Additional Information:

- Go to <https://www.poh.usace.army.mil/Missions/Civil-Works/Civil-Works-Projects/Kaunakakai-Harbor/>
- If you are unable to attend the meeting, comments will be accepted thru Wednesday, July 27, 2022 via email (cepoh-planning@usace.army.mil).
