Dear [REDACTED]

The Honolulu District, U.S. Army Corps of Engineers (Corps), Regulatory Branch has received your request dated 29 January 2024, for a Department of the Army (DA) approved jurisdictional determination (AJD) for the proposed driveway construction located at [REDACTED] Kailua, Island of Oahu, HI at 21.3804°, -157.7128°. Your request has been assigned DA file number POH-2022-00156. Please reference this number in all future correspondence with our office relating to this determination.

The review area for this AJD is 0.4 acres of manicured lawn, an existing house, other existing structures, and a driveway for access and is shown on the enclosed map (Enclosure 1). Based on project information submitted to our office and other available information, the Corps has determined there are no waters of the U.S. in the review area and no Corps permit is required. The basis for this determination can be found in the enclosed AJD form (Enclosure 2).

This approved jurisdictional determination is valid for five (5) years from the date of the AJD form, unless new information supporting a revision is provided to us before the expiration date. Enclosed is a Notification of Administrative Appeal Options and Process and Request for Appeal form (see section titled "Approved Jurisdictional Determination") (Enclosure 3).

Department of the Army (DA) authorization is required if you propose to place dredged and/or fill material into waters of the U.S., including wetlands and/or perform work in navigable waters of the U.S. You can find a copy of the DA permit application online at the following address:
