

Cybersecurity and RMF Requirements for Facility Related Control Systems

Connecting Businesses with Opportunities

September 5, 2018 9:00am - 11:30am

U.S. SBA Hawai'i District Office, 500 Ala Moana Blvd. #1-306, Honolulu, HI, 96813

MINORITY BUSINESS DEVELOPMENT AGENCY
BUSINESS CENTER
U.S. DEPARTMENT OF COMMERCE

The MBDA Business Center at UH, the U.S. Small Business Administration Hawai'i District Office, and the State of Hawai'i Department of Transportation DBE cordially invite you to attend an informational session with U.S. DoD officials on Cybersecurity requirements for Facilities Related Control Systems.

Julie Weinstein, NAVFAC PAC's Information Systems Security Manager, will discuss the requirements for implementing cybersecurity and the Risk Management Framework (RMF) for Facility Related Control Systems (FRCS). Topics included (but not limited to):

- Why is the Navy doing this?
- What is a Facility Related Control System?
- What is the Risk Management Framework?
- What are the efforts required for cybersecurity and RMF implementation?
- What are the requirements and skill sets for successful implementation?

Date: Wednesday, September 5, 2018
Time: 9:00 a.m. to 11:30 a.m.
Place: U. S. SBA - Hawaii District Office Training Room
500 Ala Moana Blvd Rm 1-306
Honolulu, Hawaii 96813

This training is only for existing businesses with an interest in competing in the federal government contracting arena. Register early--seating is limited to two representatives per company.

Co-sponsorship Authorization #18-0951-07. SBA's participation in this cosponsored activity is not an endorsement of the views, opinions, products or services of any cosponsor or other person or entity. All SBA programs and services are extended to the public on a nondiscriminatory basis. Reasonable arrangements for persons with disabilities will be made if requested at least two weeks in advance. Contact Mary Dale, SBA Hawai'i District Office, 808/541-2990 ext. 211
